Note 1: If this car is equipped with Harman Kardon upgrade the mutewire will have to be manually connected.

Note 2: This solution will have to be manually connected to the front speakerwires and CAN-bus wires by cuttin

Note 3: Slight modification of cable is needed to mute rear shelf speakers. Please Email us.

Note 4: This solution will not work with Nokia CK-100 & CK-600 if the car is equipped with center speaker.
