

Ford Sync 2/3 Front or Caravan/Trailer Camera System

Part No: 1321

Most new Ford vehicles now come with a nice big High Resolution 8 inch screen with a factory reverse camera. This product allows for the integration of additional cameras like a front camera or caravan/trailer camera. With a long press of the OK button on the steering wheel, the second camera image will display on the factory display.

Features:

- Activated via OK button on the Steering Wheel
- Plug & Play Vehicle Harnessing
- 2 Year Warranty
- Made in the USA*

*Note:- For use with NTSC cameras only

Vehicle Compatibility:

Compatible with the following vehicles with Sync 2/3 8 inch screen:

- Ford Everest
- Ford Ranger PX II
