# GEARED GIRDER TROLLEY

-GTC(CAPACITY)

## DESCRIPTION

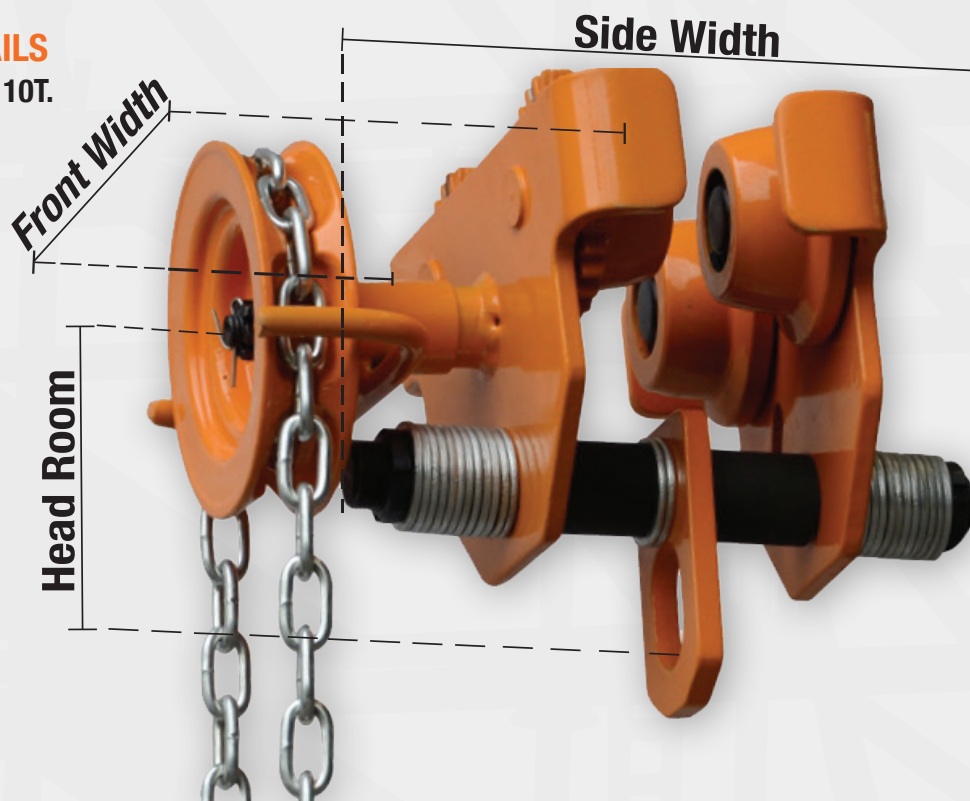

Heavy duty Geared Girder Trolley for easy and simple mounting and movement.

## FEATURES & BENEFITS

- Heavy Duty.
- With protective flange to prevent plain and geared trolley wheel damage in the event of end beam crash stops.
- Easy and simple mounting.
- Specially profiled trolley wheels to fit a wide range of beams and girders including I-beam and H-beams.
- Optimum wheel size and side plate dimensions for tight turning-radius.
- Standard 3m hand chain.

## PRODUCT DETAILS

- Capacity: 1T – 10T.

PART NO	RATING	TEST LOAD	I-BEAM ADJUSTMENT	HEAD ROOM	FRONT WIDTH	SIDE WIDTH MAXIMUM	MIN RADIUS OF CURVE	NET WEIGHT
