# Natural Gas Replacement Parts...

**CATERPILLAR®**  
**CUMMINS®**  
**DETROIT DIESEL®**

Major advances in drilling technology have tapped into America's huge natural gas supplies, bringing the price down and giving it a competitive advantage over diesel fuel. Now one of the fastest growing segments of the market, AFA is offering a comprehensive line of replacement parts for CAT®, Cummins® and Detroit Diesel® natural gas engines. Since 1987, AFA Industries

has been manufacturing and supplying Diesel engine parts and kits to domestic and diverse international markets. Our parts are in service in remote locations under harsh operating conditions, demanding superior quality and durability. AFA offers the most extensive warranty coverage program in the heavy duty engine parts industry.
