OCTO 4

The Lightning Octo 4 is renowned for quality. Made by Elizabeth Machines in our Port Melbourne facility to the highest standards.

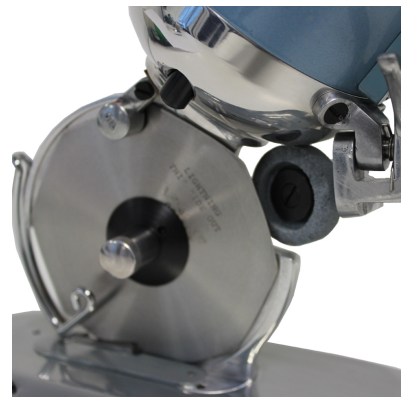

The machine is suitable for cutting a variety of materials including textiles, upholstery materials, leather, carpet, insulation, shade cloth and some rubber materials.

The machine incorporates an octagonal blade with carbide tipped counter rubbing tip for clean cutting of fibres.

The machine has a built-in sharpening device to ensure a sharp cutting edge.

Specifications

Power Source:	230-240V, 1PH
Blade Diameter:	100mm (4") Octagonal
Sharpening Device:	In built
Blade guard:	In built adjustable.
