LIGHTNING
A U S T R A L I A

SWIFT 3 1/4

The Lightning Swift is a quality cutter proven over decades. Made by Elizabeth Machines in our Port Melbourne facility to the highest standards.

The machine is suitable for cutting a variety of materials including knitwear, lycra, cotton, drill, denim and more.

The machine incorporates a rotary blade with rubbing scraper to reduce fibres jamming the machine.

The machine has a built on sharpening device to ensure a sharp cutting edge.
