### Brake & Parts Cleaner

Chemtools® Brake Cleaner is a fast drying solvent which has been specially formulated to clean and remove brake pad residues from brake pad components. This powerful solvent will penetrate quickly into moving parts and dissolve grease and road grime.

#### FEATURES:

- Dries faster
- Extra high output delivery (applies to aerosol)
- Removes grease and brake fluid quickly
- Very good parts cleaner

#### APPLICATIONS:

- Brakes
- Metal Degreasing
- Mechanical Parts Degreasing

Part Number	Size/Description
CT-BC-500	Brake & Parts Cleaner 500gram Aerosol
CT-BC-5L	Brake & Parts Cleaner 5 Litres
CT-BC-20L	Brake & Parts Cleaner 20 Litres

### Heavy Duty Parts Cleaner

Chemtools® CT-PCHD Heavy Duty Cleaner is formulated to remove oil, grease, brake fluid & other soils from all metal parts, heavy machinery, farming equipment & mining equipment.

#### FEATURES:

- Washes away grease, oil, brake fluid and impacted dust without affecting metal.
- Evaporates quickly and completely. Leaves no residue.
- Can be used to clean a variety of metal parts and machinery.

#### APPLICATIONS:

- Automotive Repair
- Car Dealers
- Vehicle Rental Services
- Automotive Parts Stores
- Industrial Maintenance
- Metal Fabrication Workshops
- Service Stations
- Electrical Repairs

Part Number	Size/Description
CT-PCHD-300	Heavy Duty Parts Cleaner 300gram Aerosol
CT-PCHD-5L	Heavy Duty Parts Cleaner 5 Litres
CT-PCHD-20L	Heavy Duty Parts Cleaner 20 Litres

### Virgin Gun Wash

Chemtools® Gun Wash is a blend of Virgin solvents specially formulated to clean spraying equipment.

#### FEATURES:

- 100% Virgin Solvents
- Cleans all types of Spray Guns

#### APPLICATIONS:

- Cleaning of paint spray equipment such as pressure pot and guns.

Part Number	Size/Description
CT-GW-5L	Gun Wash 5 Litres
CT-GW-20L	Gun Wash 20 Litres

### Parts Wash Solvent Cleaner

Chemtools® Parts Wash Solvent Cleaner is specially formulated for washing and degreasing parts either in a parts wash machine or to simply soak parts. This is a very effective solvent that will remove grease and soil from most mechanical parts.

#### FEATURES:

- Very effective degreaser
- High flash point

#### APPLICATIONS:

- All solvent approved parts washer
- Manual immersion systems

Part Number	Size/Description
CT-PWS-5L	Parts Wash Solvent Cleaner 5 Litres
CT-PWS-20L	Parts Wash Solvent Cleaner 20 Litres

### "Shifty" All Purpose Surface Cleaner

Chemtools® "Shifty" All Purpose Surface Cleaner is formulated to remove grease, grime and everyday dirt from any washable surface. Perfect for Indoor or Outdoor use.

#### FEATURES:

- Cuts through grease
- Biodegradable

- Ready to use

#### APPLICATIONS:

- Bathroom
- Kitchen
- Floors/Windows
- Bikes & Sports Equipment
- Engines
- BBQ
- Furniture

Part Number	Size/Description
CT-APC-750ML	"Shifty" All Purpose Surface Cleaner 750ml Trigger Spray
CT-APC-5L	"Shifty" All Purpose Surface Cleaner 5 Litres
CT-APC-20L	"Shifty" All Purpose Surface Cleaner 20 Litres

### Wax and Grease Remover

Chemtools® Wax and Grease Remover is a solvent used for removal of contaminants prior to application of coatings. This heavy duty formula will remove waxes, oils and greases.

#### FEATURES:

- Dries quickly without any residue
- Promotes paint adhesion

#### APPLICATIONS:

- Automotive Repairs
- Boat Painters
- Welding Workshops

Part Number	Size/Description
CT-WGR-5L	Wax and Grease Remover 5 Litres
CT-WGR-20L	Wax and Grease Remover 20 Litres

### Prep-Solv Metal Cleaner/Degreaser

Chemtools® Prep-Solv Metal Cleaner/Degreaser is a solvent based cleaner specially formulated for use prior to sanding and painting. It works on metal, plastic & fiberglass and will remove sanding residue. It is also a very good degreasing agent for cleaning welding anti-spatter prior to painting.

#### FEATURES:

- Fast evaporating
- Good surface cleaner
- Promotes paint adhesion

#### APPLICATIONS:

- Auto Paint Shops
- Boat Repair and Manufacturing
- Metal Fabrication

Part Number	Size/Description
CT-ASC-240	Prep-Solv Metal Cleaner 240gram Aerosol
CT-ASC-5L	Prep-Solv Metal Cleaner 5 Litres
CT-ASC-20L	Prep-Solv Metal Cleaner 20 Litres

### Heavy Duty Engine Degreaser

Chemtools® CT-EDG Heavy Duty Degreaser, is specially formulated to dissolve and remove grease and oil quickly. This product is designed for use on vehicle engines, out board motors, motorbikes, gardening equipment, machinery, concrete surfaces etc. It will not harm lacquer or paintwork.

#### FEATURES:

- Dissolves oil and grease
- Will not harm lacquer or paintwork
- Easy to use, spray and hose off

#### APPLICATIONS:

- Automotive Repairs
- Car Dealerships
- Automotive Parts Services
- Industrial Maintenance
- Metal Fabrication Shops
- Service Stations

Part Number	Size/Description
CT-EDG-300	Heavy Duty Engine Degreaser 300gram Aerosol
CT-EDG-5L	Heavy Duty Engine Degreaser 5 Litres
CT-EDG-20L	Heavy Duty Engine Degreaser 20 Litres

### CitraShift Industrial Strength Degreaser

Chemtools® R22 CitraShift Industrial Strength Cleaner/Degreaser. This concentrated citrus based product is water soluble. R22 will instantly emulsify grease, oils and fats without the use of harsh acids, alkaline or petroleum solvents.

#### FEATURES:

- Industrial strength
- Water soluble and biodegradable
- Stops squeaks
- Excellent rust preventative

#### APPLICATIONS:

- Concrete floors
- Asphalts
- Equipment
- Trucks
- Removes Labels, Printed Inks, Decals & Tyre Marks.

Part Number	Size/Description
CT-R22-300	CitraShift Industrial Strength Degreaser 300 gram Aerosol
CT-R22-750	CitraShift Industrial Strength Degreaser 750ml Trigger Spray
CT-R22-5L	CitraShift Industrial Strength Degreaser 5 Litres
CT-R22-20L	CitraShift Industrial Strength Degreaser 20 Litres

### PCB Wash Water Based Flux Remover and Degreaser

Chemtools® PCB Wash is a blend of biodegradable solvents and detergents in water. PCB Wash comes ready to use and can be safely use in ultrasonic tanks for various applications including: metal parts degreasing, flux removal, cleaning of sensitive electronic parts.

#### FEATURES:

- Non-flammable
- Biodegradable
- 100% Ozone friendly

#### APPLICATION:

- Flux Remover ( compatible with all types of fluxes)
- Solder paste remover from stencils
- Degreasing metal parts
- Cleaning of wave soldering jigs

Part Number	Size/Description
CT-PCBW-1L	PCB Wash 1 Litre
CT-PCBW-5L	PCB Wash 5 Litres
CT-PCBW-20L	PCB Wash 20 Litres

## Contact Cleaner

Chemtools®CT-CC Contact Cleaner is a fast drying industrial cleaner that is pure and stable. It is widely used as a cleaning solvent for equipment cleaning. Chemtools CT-CC Contact Cleaner is also used for cleaning relays, switches, circuit breakers, alarms, printed circuit boards, connectors, generators, contacts, terminal plugs & more.

### FEATURES:

- Non corrosive
- Leaves no residue
- Evaporates quickly
- Plastic and metal safe
- Restores electrical continuity on electronic contacts

### APPLICATIONS:

- Electrical Contacts
- Mining Industry
- Telecommunication
- Electronic PCB Cleaning
- Railways

Part Number	Size/Description
CT-CC-350grams	Contact Cleaner 350gram Aerosol
CT-CC-5L	Contact Cleaner 5 Litres
CT-CC-20L	Contact Cleaner 20 Litres

## Contact Cleaner NF

Chemtools®CT-CC Contact Cleaner NF is also used for cleaning relays, switches, circuit breakers, alarms, printed circuit boards, connectors, generators, contacts, terminal plugs and more. Contact Cleaner NF especially formulated to be non-flammable. It is widely used as a cleaning solvent for equipment cleaning.

### FEATURES:

- Non corrosive
- Leaves no residue
- Evaporates quickly
- Plastic and metal safe
- Restores electrical continuity on electronic contacts

### APPLICATIONS:

- Electrical Contacts
- Mining Industry
- Telecommunication
- Electronic PCB Cleaning
- Railways

Part Number	Size/Description
CT-CCNF-400	Contact Cleaner NF 400gram Aerosol
CT-CCNF-5L	Contact Cleaner NF 5 Litres
CT-CCNF-20L	Contact Cleaner NF 20 Litres

## Isopropyl Alcohol 70%

Chemtools®70% Pure Isopropyl Alcohol (sometimes referred to as Rubbing Alcohol), is a liquid prepared for various application and contains approximately 70 percent by volume of pure, Isopropyl Alcohol (Isopropanol).

### FEATURES:

- Does not contain denaturant
- Can be used for some pharmaceutical and medical applications
- Non-Ozone depleting

### APPLICATIONS:

- It is also widely used for cleansing surgeons' hands and instruments and for the disinfection of skin prior to penetration by a hypodermic needle.
- Welders also use rubbing alcohol to clean welding surfaces before welding. This removes oils and impurities on the surface.
- Rubbing alcohol can be applied as a cooling, soothing application for bedridden patients and athletes. It is, however, more widely used as an antiseptic for disinfecting surfaces or cleaning minor cuts or abrasions.

Part Number	Size/Description
CT-ISO70%-1L	Isopropyl Alcohol 70% 1 Litre
CT-ISO70%-5L	Isopropyl Alcohol 70% 5 Litres
CT-ISO70%-20L	Isopropyl Alcohol 70% 20 Litres

## Isopropyl Alcohol 100%

Chemtools®Isopropanol ( Isopropyl Alcohol / IPA ) is a commonly used solvent. It does not contain CFCs or chlorinated solvents such as trichloroethylene. Chemtools® Isopropanol will quickly clean a variety of soils, such as some flux residues, light oils, polar, organic and ionic residues. It is an effective and economical solvent. Chemtools® Isopropanol is flammable and should not be sprayed onto live electrical equipment or other sources of possible ignition. Chemtools® Isopropanol is suitable for use on magnetic tape heads, optical and precision instructiveness and printed circuit boards.

### FEATURES:

- Pure solvent
- Does not contain denaturant
- Mild solvent which is ideal for critical and delicate cleaning

### APPLICATIONS:

- Flux thinner
- Tape head cleaning
- General cleaning and disinfecting

Part Number	Size/Description
CT-ISO250ML	Isopropyl Alcohol 100% 250ml Spray Bottle
CT-ISO750ML	Isopropyl Alcohol 100% 750ml Trigger Spray Bottle
CT-ISO1L	Isopropyl Alcohol 100% 1 Litre
CT-ISO5L	Isopropyl Alcohol 100% 5 Litres
CT-ISO20L	Isopropyl Alcohol 100% 20 Litres

## Acetone

Chemtools®Acetone is a commonly used solvent. It is colourless, very volatile and miscible with many other liquids. It is an effective solvent for oils, greases, resins, waxes and adhesives. It is a very effective and economical solvent. Chemtools®Acetone is highly flammable and should not be used near live electrical equipment or other sources of possible ignition.

### FEATURES:

- Pure solvent
- Low toxicity
- Voc-Free

### APPLICATIONS:

- General purpose solvent
- Removing nail polish and adhesives
- Cleaning PVC pipes prior to gluing
- Cleaning fibreglass resin tools and brushes
- Cleaning and removing some paints and lacquers

Part Number	Size/Description
CT-ACT-300	Acetone 300gram Aerosol Can
CT-ACT-5L	Acetone 5 Litres
CT-ACT-20L	Acetone 20 Litres

## Methylated Spirits

Chemtools®CT-IMS Industrial Grade Methylated Spirits is a multipurpose solvent which is widely used in many industries.

### FEATURES:

- Miscible in water
- Cost effective
- Good degreaser

### APPLICATIONS:

- It can be used as a cleaner, it will effectively clean ink stains from upholstery and clothes
- It will remove permanent marker from pvc plastics
- It is a great solvent for thinning paints
- It is great for cleaning paint brushes instead of using fossil based solvents
- It is great as a general metal cleaner
- It is widely used in electronics as a general purpose cleaner

Part Number	Size/Description
CT-IMS-1L	Industrial Methylated Spirits 1 Litre Bottle
CT-IMS-4L	Industrial Methylated Spirits 4 Litres
CT-IMS-20L	Industrial Methylated Spirits 20 Litres

## Mineral Turps

Chemtools®Mineral Turps (also known as Stoddard solvent) is a petroleum based liquid which is commonly used as a cleaning and degreasing solvent, it can also be used as a paint thinner.

### FEATURES:

- Leaves no residue
- Low cost

### APPLICATION:

- Paint thinner and cleaner
- Cleaning of metals, paint brush and equipment
- Wax and polish thinner

Part Number	Size/Description
CT-MTP-1L	Mineral Turps 1 Litre
CT-MTP-4L	Mineral Turps 4 Litres
CT-MTP-20L	Mineral Turps 20 Litres

## Toluene

Chemtools®Toluene is a common solvent, able to dissolve paints, paint thinners, silicone sealants, many chemical reactants, rubber, printing ink, adhesives, lacquers, leather tanners and disinfectants. It is also used as a cement for fine polystyrene kits (by dissolving and then fusing surfaces).

### FEATURES:

- Fast evaporating
- Good cleaning solvent for oil and grease
- Thinner for some paints

### APPLICATIONS:

- Carburettor Cleaner
- Paint Manufacturing
- Petrol Industry
- Adhesive
- Manufacturing

Part Number	Size/Description
CT-TOL-5L	Toluene 5 Litres
CT-TOL-20L	Toluene 20 Litres

## Xylene

Chemtools®Xylene is a flammable hydrocarbon solvent; it has a purity in excess of 99% aromatics. It performs well in situations requiring a high level of solvency and is common to many coatings formulations. It is a clear, colourless, sweet-smelling liquid that is very flammable.

Chemtools®Xylene can be used as a solvent and as a powerful cleaner and stripper.

### FEATURES:

- Xylene is a mid-slow evaporating solvent
- Used as a solvent in the printing, rubber and leather industry
- Cleaning agent for silicone wafers
- Cleaning agent for steel
- Used as a thinner in paints and lacquers when slower drying is required

### APPLICATION:

- Petrol Additive
- Printing Industry
- Pharmaceuticals
- Perfumes
- Fabricated Items and Pesticide Formulations

Part Number	Size/Description
CT-XYL-5L	Xylene 5 Litres
CT-XYL-20L	Xylene 20 Litres

## White Spirits

Chemtools®White Spirit is a flammable hydrocarbon solvent. It is common to many coatings and cleaning formulations and performs well in situations requiring solvency and degreasing. The lower solvency power of White Spirit makes it highly suitable for sensitive fabrics with trims etc., leathers and suedes or those garments prone to fading.

### FEATURES:

- No residue
- Good solvency
- Good cleaning solvent

### APPLICATION:

- Used as a cleaning & degreasing solvent
- Used as a solvent in paints, varnishes & lacquers
- Used in asphalt product manufacturing

Part Number	Size/Description
CT-WSP-4L	White Spirits 4 Litres
CT-WSP-20L	White Spirits 20 Litres

### Shellite

Chemtools®Shellite is a flammable liquid which is commonly used in many domestic applications such as lighter fuel and camping equipment. It is a water colour liquid which has a myriad of applications including cleaning and degreasing.

#### FEATURES:

- Clean burning solvent
- Evaporates quickly with little residue
- Good mild cleaning solvent

#### APPLICATION:

- Fuel for stoves, lanterns and most other fuel based appliances
- Lighter fluid

Part Number	Size/Description
CT-SHL-1L	Shellite 1 Litre
CT-SHL-4L	Shellite 4 Litres
CT-SHL-20L	Shellite 20 Litres

### Kerosene

Chemtools®Kerosene is a thin oil distilled from petroleum or shale oil, used as a fuel for heating and cooking, in lamps, and as a denaturant for alcohol.

#### FEATURES:

- Slow evaporating
- Good solvency for greases and oils
- Can be used as a cleaning fluid
- Little or no residue after drying

#### APPLICATIONS:

- Used in stoves, lanterns and other appliances
- Cleaning and degreasing of metals
- Fuel

Part Number	Size/Description
CT-KRS-1L	Kerosene 1 Litre
CT-KRS-4L	Kerosene 4 Litres
CT-KRS-20L	Kerosene 20 Litres

### General Purpose Thinner

Chemtools®General Purpose Thinners is a fast-drying paint thinner which was specially formulated for spray applications. It is suitable for thinning most paints including enamels, acrylics and lacquers.

#### FEATURES:

- Quick drying
- Great for cleaning paint equipment
- Can also be used as a solvent for epoxies
- General purpose cleaning solvent

#### APPLICATIONS:

- Painters
- Paint manufacturers and packers
- Very good substitute for gun wash

Part Number	Size/Description
CT-GPT-5L	General Purpose Thinner 5 Litres
CT-GPT-20L	General Purpose Thinner 20 Litres

### Paraffin Oil

Chemtools®Paraffin Oil, also known as White Oil or Mineral Oil. It is a colourless, odourless, transparent, oily liquid with many industrial, medical as well as cosmetic uses. Paraffin is a generic name used for certain hydrocarbons, basically, the alkaline hydrocarbons. The solid form of these hydrocarbons is known as paraffin wax, while the liquid form is called liquid paraffin oil.

#### FEATURES:

- Miscible with hydrocarbons
- Stable
- Safe product

#### APPLICATIONS:

- Detergents
- Lubricants
- Food manufacturing
- Pharmaceutical and cosmetics

Part Number	Size/Description
CT-PO-1L	Paraffin Oil 1 Litre
CT-PO-5L	Paraffin Oil 5 Litres
CT-PO-20L	Paraffin Oil 20 Litres

### Deionized Water

Chemtools®(Di) water also known as demineralized water is an essential ingredient in hundreds of industrial, medical and domestic applications.

It offers protection against corrosion, scale and other adverse effects that regular water can produce. Chemtools®(Di) water is pure and the special manufacturing process removes mineral ions such as sodium, calcium, copper, chloride and sulfate.

#### FEATURES:

- High Purity
- Inexpensive

#### APPLICATIONS:

- Medical
- Laboratory
- Pharmaceutical
- Cosmetics
- Electronics Manufacturing
- Food Processing
- Automotive (Radiators)
- Household use such as steam irons, humidifiers, portable air conditioners

Part Number	Size/Description
CT-DI-5L	Deionized Water 5 Litres
CT-DI-20L	Deionized Water 20 Litres

### Parts Washer (Biodegradable)

Chemtools® Parts Washer Cleaner is an aqueous based cleaning fluid which is specially formulated for use in most types of parts washing machines. Chemtools® Parts washer cleaner is a safe water based product that doesn't contain flammable solvents or dangerous additives.

#### FEATURES:

- Non-flammable
- Biodegradable
- Contains no petroleum solvents
- Safe to use
- Aromatic compounds or corrosive additives

#### APPLICATIONS:

- Cleaning of fasteners and parts of engines
- Cleaning and degreasing of engine & mechanical parts

Part Number	Size/Description
CT-PW-20L	Parts Washer 20 Litres

### Citra Grit Hand Cleaner

Chemtools® Citra-Grit Hand Cleaner is a premium heavy duty hand cleaner which is specially formulated for removing the toughest soils. Citra-Grit Hand Cleaner effectively removes grease, inks, tar, oils, paints, industrial carbon and more.

#### FEATURES:

- Water based
- Biodegradable
- Soap and phosphate free
- Safe to use

#### APPLICATIONS:

- Automotive
- Mining
- Welding
- Light Industrial

Part Number	Size/Description
CT-HC-500ML	Citra Grit Hand Cleaner 500ml Squeeze Bottle
CT-HC-2.5L	Citra Grit Hand Cleaner 2.5 Litre Pump Bottle
CT-HC-5L	Citra Grit Hand Cleaner 5 Litres
CT-HC-20L	Citra Grit Hand Cleaner 20 Litres

### Industrial Cleaner/Degreaser

Chemtools® Industrial Cleaner/Degreaser is a highly effective all purpose cleaner/degreaser, which is specially formulated for various industrial and domestic applications.

#### FEATURES:

- Non-flammable
- Biodegradable
- Superior cleaning
- Free from harmful and corrosive solvents

#### APPLICATIONS:

- Removal of oil & grease
- Removal of tar
- Removal of carbon
- Removal of fish, vegetable oil and food products
- Removal of engine oil, crude oil, diesel and petrol residues

Part Number	Size/Description
CT-ICL-5L	Industrial Cleaner/Degreaser 5 Litres
CT-ICL-20L	Industrial Cleaner/Degreaser 20 Litres
CT-ICL-200L	Industrial Cleaner/Degreaser 200 Litres

### Industrial Cleaner/Degreaser Concentrate

Chemtools® Concentrated Industrial Cleaner/Degreaser is a powerful and tough product that is formulated for extreme applications. This powerful cleaner degreaser is the product of choice when you need to quickly remove stubborn oil grease and other soils. This product can be diluted for less demanding applications.

#### FEATURES:

- Non-flammable
- Biodegradable
- Superior cleaning
- Free from harmful and corrosive solvents

#### APPLICATIONS:

- Removal of oil & grease
- Removal of tar
- Removal of carbon
- Removal of fish, vegetable oil and food products.
- Removal of engine oil, crude oil, diesel and petrol

Part Number	Size/Description
CT-ICLC-5L	Industrial Cleaner/Degreaser 5 Litres
CT-ICLC-20L	Industrial Cleaner/Degreaser 20 Litres

### Heavy Duty Truck Wash

Chemtools® Heavy Duty Truck Wash is a premium quality truck wash soap which is specially formulated for truck and trailer washing applications. Chemtools® Heavy Duty truck wash will perform extremely well when used through high pressure equipment or automatic truck wash equipment.

#### FEATURES:

- Dries streak free
- Biodegradable
- Highly concentrated
- Can be diluted up to 1:250

#### APPLICATIONS:

- Trucks
- Mining Equipment
- Farm Equipment
- 4WD

Part Number	Size/Description
CT-TWHD-5L	Heavy Duty Truck Wash 5 Litres
CT-TWHD-20L	Heavy Duty Truck Wash 20 Litres
